Technical Skills

- **Programming Languages:** Python, C (intermediate and basic level, still exploring concepts).
- **Web Development:** HTML, CSS, JavaScript (still exploring).
- **Data Handling:** Basic knowledge of SQL databases, Excel, and introductory data analysis with Python (Django).
- **Software Tools:** MS Office (Word, Excel, PowerPoint), Google Workspace, Canva, Figma.
- **Other Skills:** Good and Effective Communication, Problem Solving, Teamwork, Creative Thinking.
- **Involved with Social Club:** Leo Club of Kantipur Kathmandu

Projects Undertaken

- **Simple Calculator (Python/C++)** – Developed a basic calculator program applying fundamental programming concepts.
- **Tic-Tac-Toe Game (Python/JavaScript)** – Created an interactive game implementing logic, conditions, and loops.
- **Cloth Donation Website** – Built a full-stack project with frontend (HTML, CSS, JavaScript) and backend (Python, Django) for database management.

Managerial and Interpersonal Skills

- **Communication & Conversation** – Confident in interacting with diverse people, both in academic and field settings.
- **Convincing & Persuasion Skills** – Able to explain ideas clearly and motivate participation (useful in surveys, interviews, and teamwork).
- **Eager for Field Exposure** – Enthusiastic to gain hands-on experience in site visits, surveys, and personal interactions.
- **Team Collaboration** – Active involvement in college group projects and volunteering, building teamwork and coordination skills.
- **Volunteering Experience** – Participated in multiple voluntary programs organized by college and with Social Clubs with certificates of appreciation for contributions.

Achievements and Extra Curricular Activities:

- **Volunteering Programs** – Actively participated in several college-organized volunteer and social service programmes with Leo Club of Kantipur Kathmandu (with certificates).
- **Event Participation** – Involved in workshops, seminars, and inter-college activities that enhanced communication and teamwork skills.
- **Project Recognition** – Gained positive feedback from faculty on academic projects (e.g., Cloth Donation Website)
- **Leadership Roles** – Coordinated small teams during college projects and events, demonstrating initiative and responsibility.
- **Continuous Learner** – Regularly engage in self-learning of coding, web development, and data analysis beyond the curriculum.

Experience:

- Fresher
